GOVERNMENT OF INDIA
MINISTRY OF LABOUR.

No. LR-1(59) Dated New Delhi, the 22nd January 1949.

From

H. Khanna, Esquire, M.A.,
Deputy Secretary to the Government of India,

To

The Secretary to the Government of Madras,
Development Department,
Madras.

Sir,

I am directed to forward a copy of letter which has been addressed to the Government of the United Provinces regarding disputes between certain banks and their employees. As the law stands at present, the Government of India have no authority to appoint an Industrial Tribunal or an Adjudicator for dealing with disputes in banks and other institutions like insurance companies which have their branches all over the country. Until the present legal position is set right, it seems desirable that in view of the situation which has arisen in the United Provinces, a certain amount of uniformity in the matter of dealing with disputes in banks and insurance companies throughout the country should be ensured by suitable administrative arrangements agreed upon between the Central Government and the Provincial Governments. It is, therefore, requested that should any industrial dispute, either in banking institutions or in insurance companies, arise in your Province, the Central Government may kindly be consulted before any action is taken so that the Provincial Governments who have to deal with the same or similar disputes or are alikely to be faced with a similar situation might be asked to agree upon a common adjudicating machinery for the settlement of the disputes.

Yours faithfully,

Sd. H. Khanna,
Deputy Secretary to the Government of India.
